DAILY DEMOCRAT-FORUM
AND MARYVILLE TRIBUNE

VOLUME 16 | EIGHT PAGES | MARYVILLE, MISSOURI, WEDNESDAY, SEPT. 9, 1925 | EIGHT PAGES | NO. 84

1004 IN PUBLIC SCHOOLS HERE

335 IN HIGH SCHOOL, 669 IN VARIOUS GRADES.

EXPECT MANY MORE

336 At Washington, 133 at Jefferson, 82 at Franklin, 100 At Garfield, 18 At Douglas.

A total of 669 pupils are enrolled in the Maryville Public Schools, outside of the high school, in accordance with an announcement from the office of Superintendent, L. E. Ziegler. From the number enrolled, 336 attend the Washington School; 133 the Jefferson School; eighty-two the Franklin School; 100 the Garfield School; and eighteen attend the Douglas School.

About 335 students are enrolled in the Maryville High School this year, making a total of 1,004 already enrolled in the public schols this year. More are expected.

The enrollment for the Washington School shows:

A4th grade: nineteen boys, seven girls, twenty-six total; B5th grade, twenty-five boys, twenty girls, forty-five total; A5th grade, twenty-two boys, sixteen girls, thirty-eight total; B6th grade, twenty-two boys, twenty-five girls, forty-seven total; A6th grade, seventeen boys, sixteen girls, thirty-three total; B7th grade, twenty boys, twenty-four girls, forty-four total; A7th grade, twenty boys, eighteen girls, thirty-eight total; B8th grade, twenty-two boys, twenty-three girls, forty-five total; A8th grade, fourteen boys, six girls, twenty total.

Of the total enrolment of 336 there are 181 boys and 155 girls.

The enrollment for the Jefferson School shows:

First grade, twenty-three boys, twenty girls, forty-three total; second grade, twenty-one boys, twenty-one girls, forty-two total; third grade, twenty-four girls, twenty-four boys, forty-eight total. Of the 133 enrolled there are 68 boys and 65 girls.

The enrollment for the Franklin School shows:

First grade, fourteen boys, eight girls, twenty-two total; second grade, eleven boys, nine girls, twenty, total; third grade, thirteen boys, eighteen girls, thirty-one total; B4th grade, four boys, six girls, ten total. Of the enrollment of eighty-two there are forty-two boys and forty girls.

The enrollment for the Garfield School shows:

First grade, twenty boys, nine girls, twenty-nine total; second grade, thirteen boys, nine girls, twenty-two total; third grade twelve boys, nineteen girls, thirty-one total; B4th grade, nine boys, nine girls, eighteen total. Of the enrollment of 100 there are 54 boys and 46 girls.

Enrollment figures of the Douglas (colored) School shows that nine boys and nine girls attend.

Hopkins 3-Day Picnic Opens This Afternoon

Big List of Premiums Offered In Many Divisions and Attractions Numerous This Year.

The Hopkins three-day picnic opened this afternoon with the biggest list of premiums offered and attractions in the history of the Hopkins picnic. The schools there are dismissed each afternoon while the picnic is in progress.

Prizes are being offered in the following divisions:

Hogs, registered beef cattle, dairy cattle, draft horses, driving and saddle horses, pony class, mules and jacks, chickens, farm products, vegetables, grain, crochet work, tatting, applique work, cakes and bread, canned fruit, jellies, preserves and pickles and canned vegetables.

The entertainment committee has secured a ferris wheel, merry-go-round and bowling alley. A dilapidated Ford race is planned for each afternoon, with prizes to be awarded. Prizes are also to be awarded to persons driving Fords from the longest distance, the one with the most occupants and the oldest Ford driven in under its own power.

Free moving pictures are arranged in connection with band concerts by the Guilford band. Eating stands have been erected in streets by the women's socities of the Methodist and Christian Churches. The exhibits will be judged tomorrow afternoon by the county agent and someone from the Teachers College.

Frances Remus To Head H. S. Seniors

Frances Remus, the daughter of Mr. and Mrs. C. F. Remus, was elected this morning, president of the beginning senior class. Miss Remus is a prominent student both in her studies and activities. Her ranking in her course of studies averages high and in activity work she has held many high offices. Harold Lee Yates was elected viee-president; Gertrude Wray, secretary and Ralph Hotchkin treasurer.

A committee to make recommendations for a class sponsor and a committee to make recommendations relatively to the Maryvillian staff for 1925-26 were also elected.

During the meeting L. L. St. Clair served as chairman, later turning the meeting over to the new executive of the class.

LAST LOAD OF GRAVEL LAID

STATE ROAD TO WILCOX TO BE OPENED TOMORROW.

ABOUT 7 MILE STRETCH

Gravel From DeArmond Pit and From LaGrange, Mo., Is Used On This Project.

The seven-mile gravel road from Maryville to Wilcox on state highway No. 18 will be opened for traffic tomorrow and the detour signs taken down, according to information from the engineer's office this morning.

The last truck load of gravel was dumped on the highway about 11 o'clock yesterday morning and stock piles are being hauled away to be used for maintenance purposes. Portions of the newly laid gravel road will be taken over by the state as soon as the shoulders are put in shape and the gravel evened, and as soon as each section is taken over maintenance on the road will be started.

With the dumping of the last truck of gravel yesterday, there is now in the last stages of completion approximately seven miles of gravel road from a point 2.1 miles north of Maryville at the end of the concrete, extending west five miles, and thence about two miles northwest through Wilcox, to a point about a mile and a half northwest of Wilcox.

The hardsurfaced road is constructed of both Nodaway County gravel and gravel shipped in from LaGrange, Mo it is ten inches deep and is eighteen feet wide, of the trench style of gravel roads. A little more than half, or approximately four miles of gravel was taken from the DeArmond pit, northeast of Maryville.

The first load of gravel was hauled November 29, 1924, and laid on the north end of the project, northwest of Wilcox. The work was brought to a halt during the winter months but commenced again early last spring. The contract was let by the state highway commission to P. P. Young of St. Joseph.

During the summer months it was found that it would be cheaper to ship in gravel than to strip the earth from the gravel at the DeArmond pit, and on July 17 of this year the first load of gravel shipped into Wilcox from LaGrange was hauled out on the project.

To get an idea of the cost of the road, figures for 2.7 miles out of Wilcox were totaled that gave an approximate cost of $14,350 per mile. This includes the total cost, from the grading to the engineer's services, the latter which figures at 2.7 per cent of total cost per mile.

A summary of road work accomplished up to August 1 on state roads under the direction of the state highway commission shows that so far this year the average cost per mile of roads constructed in the state amounts to $19,400. Already 26.8 per cent of the state road system is completed and the figures of the monthly report of the Bureau of Construction to the highway commission show that the state road department is constructing an average of three miles a day for every day in the year.

Rescuer Fails To Save Drowning Boy

St. Louis, Sept. 9.—With a companion swimming to his rescue, John MacDonald, 14, was drowned in the Mississippi River today. The boy had swum fifteen feet from the bank and it is believed he became exhausted.

HAIL STONES DAMAGE CORN

HARMONY COMMUNITY VISITED BY DESTRUCTIVE STORM

IS THIRD IN PLACES

Estimates of Loss Vary From 25 to 50 Per Cent—Heavy Winds in Workman Chapel Community

Nodaway County's prospects for a 1925 bumper corn crop took a sudden setback Monday afternoon and night when a combined hail, wind and rain storm visited the Harmony community, northeast of Maryville.

This section of the county, previously reporting one of the best out looks in years, seems to have been the object of the furies of the elements, for Monday night's storm was the third, in some sections, to have wrought its damage to the farm lands in the northeast part of Nodaway County.

Estimates of damage vary. In some places it is said that the corn crop suffered a 50 per cent loss, while in other parts it is thought that the grain loss was from 25 to 35 per cent.

The storm, according to reports today, started at Orrsburg and followed a southeasterly course through a strip six miles long and about a half-mile wide.

The barn on the farm owned by Mrs. Charles Patterson, north of Harmony, was damaged by the wind storm of Monday night. A large portion of the roof was blown away. William Jackson, southeast of Harmony, also reports a considerable loss to his corn crop by the hail stones which, in some places, were as big as walnuts. Corn cribs on the Jackson farm were also greatly damaged by the heavy winds and about a thousand bushels of corn was blown over the ground. Mark Heflin at Harmony also reports a great deal of damage to his corn. The hail stones, it is said, beat the corn and stalks almost into pulp, ruining the grain for feed of any kind.

The hail storm missed Ravenwood and vicinity and passed over into Gentry County where it is said to have done considerable damage to the corn crop.

At the Frank O'Riley farm, about ten miles northeast of here, the corn was damaged to a considerable extent by the hail storm Monday night. Corn damage has also been reported at the J. H. Hutchison farm, two miles south of Parnell, and at the Pat Gorman place, ten miles northeast of Maryville. The damage to corn in this vicinity was estimated at about 35 per cent. This section was also visited by a hail storm several weeks ago and considerable damage was done.

Monday's storm not only did a great deal of damage by blowing down a great deal of corn in the Harmony neighborhood but also damaged fruit and shade trees as well as some buildings. Lightning struck the barn of J. E. Porter and tore a hole in the roof. In several places in the Harmony neighborhood windows were blown in and the interior damaged by the rain, which accompanied the wind and hail storm.

Monday night's wind storm did considerable damage in the Workman Chapel neighborhood, about ten miles northwest of Maryville. Hail did but little damage, it was said today. The wind blew a henhouse down at the home of Robert Dew, three-quarters of a mile northwest of Workman Chapel. The top of his car was also blown off by the heavy winds. A few trees were blown down at the home of Delbert Bird and a tree fell on top of his house. A little damage was done by the winds at the homes of John Cooper and Dave Dalrymple in the Workman Chapel community.

Lynne Overman Takes London By Storm

Former Nodaway County Boy Makes Big Hit in "Just Married"—Has Relatives Here

"Lynne Overman takes London by storm" is the way the Vide Press, published in the English capital, headlines a story on "Just Married," a comedy in which Overman is now appearing.

Overman, a nephew of Mrs. Will Foster and a cousin of Mrs. Burt Null, attended school in Maryville a number of years ago. He left here while still a youth and has had great success as an actor in various productions.

We win the international golf cup, but do they compensate for our loss of the nineteenth hole?—Columbia Record.

Council To Pass On Paving Jobs Tonight

Cook & O'Brien Crew Is Moved to Stanberry—Sewer Job in City Is Finished.

The city council will meet in special session this evening to pass on some paving ordinances and to accept the work of a couple of projects that have just been completed and inspected.

Jack Canon, superintendent of the Cook & O'Brien Construction Co. of St. Joseph, who has been in charge of paving and sewer projects in the city this summer, has left with a crew of men for Stanberry where a mile of water pipe is to be laid for the Wabash Railroad there. The sewer job, consisting of approximately 3,000 feet on East Second and Third street and Newton stret, has been finished and probably be accepted by the council tonight.

A furnace was being installed in the basement of the Library building today by Lloyd Geist, who was awarded the contract by the city council.

Plans Made for Fall Community Meetings

Program Given at First of Series of Meetings at Martha Washington School Last Night.

The first of a series of community meetings in the Martha Washington school district this fall was held at the school building last night, to which there was a large attendance. The members of the community outlined the programs, which will be held the evening of the first Tuesday of each month.

The meeting in October will be in charge of the women of the organization who will put on a play. At the November meeting W. A. Blagg will make an address, "Record Making," and the children's program will be given at the December meeting.

The program last night:

Piano solo—Estellene Lyle.

Reading—Margaret Dietz.

Piano Solo—Gertrude Belt.

A report of trip to Iowa State Fair—Ersel Carr.

A report of a trip to Niagara Falls and to the Northern Lakes—Elizabeth Shamberger.

Several selections by the Martha Washington male quartet, composed of Lester Lyle, bass; Ed Goodspeed, baritone; Charles Carr, second tenor; and Roy Lipman, first tenor.

Mrs. Roy Lippman gave a book review on Edward Bok's book "Americanization."

Refreshments of cookies, sandwiches, and ice tea were served.

Plans for Omaha Trip In Hands Committee

Maryville Post Holds Meeting Last Night—Reports of State Convention Given.

A committee of four was appointed at a meeting of the James Edward Gray Post No. 100 of the American Legion last night to make full investigation and outline and carry through plans for the transportation of Maryville Legionnaires to the National Legion convention to be held in Omaha during the first week in October. Commander John G. Mutz appointed on the committee L. M. Eck, chairman; D. A. Caldwell, Fred Waggoner and Walter S. Todd.

Suggestions were made by several of the Legion men as what methods might be adopted to notify the Legionnaires of the city and surrounding posts, the cost, what date to leave here, and other arrangements.

The Wabash will furnish a pullman if forty-eight can be secured to go to the convention, and the pullman will be used for sleeping quarters while there. Further information will be sent out by the committee.

Reports of the state Legion convention held at Springfield last month were given by Francis ("Little Doc") Cummins, Walter S. Todd, Leonard ("Cotton") Gray, and Edward W. Gray, delegates from the Maryville Post.

All Because Mary Elizabeth Must Go to the Big Circus

Jefferson City, Sept. 9.—Tomorrow is going to be a holiday for Governor Sam Baker, and coincidentally there will be a circus in the capital city.

The governor, accompanied by Mrs. Baker and daughter, Mary Elizabeth, will be the guests of the management of the circus that will come to the capital from Warrensburg.

There will be no time for official delegations at the executive's office, as the governor is going to close up for the day.

ENROLLMENT ON INCREASE

COLLEGE ASSEMBLY IS HELD THIS MORNING.

ANNOUNCEMENTS MADE

Several Musical Numbers Are Given—Instructions Are Given for Using Handbooks.

President Uel W. Lamkin presided at the first assembly of the fall quarter at the College held this morning. Mr. Lamkin will preside as chairman during the absence of Harry A. Miller, who formerly had charge.

Most of the assembly time was given to announcements by the president. The latter part of the period was taken by Miss Dvorak, instructor in violin, who played several selections, accompanied at the piano by Mr. Annett.

In regard to the number of students enrolled, the president said that two more than the total number enrolled last fall, had been issued cupon books.

As every student is expected to attend assembly, he hoped it would not be necessary to call a special assembly for those who do not attend.

Instructions were given in the use of cupon books and that the major entertainment for which one ticket is good, will be the Russian Choir here on Thursday, November 5. A picture show, "The Ten Commandments" will be given for three days, October 8, 9 and10. Other shows will also be given during the term.

He stated that no definite time has been set for the opening of the new gymnasium as much of the equipment is on the road. Arrangements, however, have about been completed for the use of the swimming pool.

The president passed on a criticism that had been made about the summer school, that it was hard for a student to make good grades in Maryville. He said:

"That is a fine reputation; if there is any reputation for a college to have it is good hard work. If you are willing to work, it will not be hard to make good grades."

The students were urged to attend the organizations and activities of the College, as "not all of college life is in the classroom."

C. E. Rising of the student council organization, gave a few instructions in regard to the student handbook.

The selections played by Miss Dvorak were:

"Lullaby"—by Frimil.

"Variations"—by Tartini—Kreisler.

"In An Irish Jaunting Car—by Whitfield.

Photograph Wanted Of Church Building

A picture of the old First M. E. Church building, formerly located where the Everhart ice plant is now, is wanted by Dr. C. C. James, pastor of the church. Anyone having a picture of this old church building is requested to leave it with Dr. James or at the Democrat-Forum office. The photograph will be returned to its owner within a few days.

Hattie McClurg Sent To State Hospital 2

Hattie McClurg, 66 years old, was sent to State Hospital No. 2 at St. Joseph yesterday by the county court. She will be a county patient.

Sheriff Campbell with her and John Shepherd, who was also sent to the hospital, went to St. Joseph this morning with these patients.

Nodaway County Gets More Publicity

Two thousand copies of the weekly Kansas City Journal of last week, which carried an illustrated feature story concerning Maryville and Nodaway County, were taken on the special horticultural train of the Chicago Rock Island road, now touring Missouri and Kansas, for free distribution to farmers who meet the trains along the route. This adds greatly to the publicity given Nodaway County.

Cecil Wilson to Build.

Work will begin tomorrow on the new five-room bungalow for Mr. and Mrs. Cecil Wilson on Park avenue. The lot adjoins the home of the latter's parents, Mr. and Mrs. J. H. Sewell.

Missouri Man Held For Bank Robbery

Former St. Joseph Resident is Said to Have Aided in $18,000 Holdup Last Spring

Urbana, Ill., Sept. 9—Harry Funk, formerly of St. Joseph, Mo., was being held here today charged with being one of the bank robbers that last spring looted the bank of Chenoa, Ill. of $18,000. Identification of Funk as one of the robbers was made by the former president of the Chenoa bank that was forced to suspend on account of the robbery.

Sheriff Gray charges Funk is at present on invalid parole from the Missouri state penitentiary. He is said to have served time there for the alleged robbery of a Missouri bank and while attempting to escape injured his spine in jumping from a thirty-foot wall.

NEW ATTACK ON OFFICERS

MITCHELL INVITES WAR DEPARTMENT TO ACT.

ARIBUTE TO WEEKS

Famous Critic Asks Fair Trial Before Representative Americans—Pleased With Results.

San Antonio, Sept. 9.—Declaring that "superior officers are not that in fact but only in name" and that the "conditions in time of peace are different from those in time of war," which have to be met willy-nilly, Col. William Mitchell today reafraigned high army and navy officials on a long statement based on dispatches from Washington regarding the disciplining of the "storm center" of the army.

"If the deparment does not like the statements I made, let them take any action they see fit, according to their judgment, court-martial or no court-martial," the Colonel declared in one section of his fiery statement. "There will be no investigations, no pleas, no defense on my part covering a question of that kind."

Colonel Mitchell paid high tribute to Secretary Weeks for his part in "standing up fairly and squarely and making his decision without bias or favor" in the battleship versus aircraft test.

The Colonel declared that in trying to evade this test, "some of the worst methods I have ever heard of in my service, foreign and domestic, were employed. Cartoons in his book, "Winged Defense," were placed there by the publishers.

An investigation by a board of inquiry is welcomed by the Colonel but he insists it must be a board "composed of representative Americans instead of high army and navy officials."

San Antonio, Sept. 9.—"The results are more than I had hoped for," Col. William Mitchell declared today when informed that George Nugent of the inspector-general's department was en route to San Antonio to make an official investigation of his verbal broadside concerning the air policies of the war and navy departments.

Colonel Mitchell said that he had nothing to retract and expressed the hope that the sending of the investigator here would bring a "show down" on aviation affairs he has long been seeking.

Obviously Colonel Mitchell is pleased that Washington officials have been aroused to action by his statements. He had expected a local investigation by the eighth corps area.

The firey Colonel makes no attempts to conceal the fact that he hopes to be called to Washington. The question of a court martial, if one is ordered, is subject of considerable conjecture in army circles here.

Knox House Starting.

Excavation was started this week for the new home of Mr. and Mrs. J. H. Knox on West Third street. The lot, recently purchased from F. P. Robinson, is on the south side of the street. The house will contain six rooms and bath and will be of Old English architecture. The upper part will be of stucco and the first floor of siding.

Woodwards in New Home.

Mr. and Mrs. E. B. Woodward and daughter, Miss Hettie Mae Woodward, moved Monday to their new home on the corner of West 3rd and Ray streets.

CAL TO FACE MANY TASKS

NUMBER OF PROBLEMS CONFRONT PRESIDENT.

AIR CONTROVERSY UP

Sooner or later Mr. Coolidge Must Take Hand—Executive Mansion Is Overhauled.

Washington, Sept. 9.—Probably no vacationist in the whole broad land has returned this summer to a bigger pile of work than that which will confront the President of the United States when he gets back to Washington tomorrow.

There are so many problems connected with the operation of the government which have to be left to the President and although he has managed to keep in fairly close touch with the public business during his extended sojourn at Swampscott, Mr. Coolidge will find sufficient work awaiting him at the White House to keep him busily engaged until Congress meets in December.

During the absence of the Presidential family, the executive mansion has been given a thorough overhauling, both inside and out.

Outstanding at the moment among the problems with which the President will have to deal is the renewal of the aircraft controversy, forced to the front by the destruction of the navy dirigible, Shenandoah, and the charges of Col. William Mitchell that responsibility rests with the high command of the navy department.

It is agreed among military and other government officials that sooner or later the President, as commander-in-chief of the army and navy, will have to take a hand in behalf or against the flying general.

Expects Aircraft Program to Go On

Does Not Think Shenandoah Disaster Will Retard Work.

Washington, Sept. 9.—An independent investigation of the Shenandoah disaster will be made by the House naval affairs committee, Representative Thomas Butler of Pennsylvania, the committee chairman, announced today. Butler said the inquiry would be made in connection with the request of the navy department for its next year's appropriation. He regards it as a matter of course, he said, that the development of lighter-than-air-craft, such as the Shenandoah, would not be retarded by the wrecking of the ship in Ohio, but a sweeping inquiry would be necessary before Congress would be willing to approve further expenditures.

David R. Francis Leaves For Home

Former Governor of Missouri Recovers Sufficiently To Make Trip To St. Louis, Doctors Believe.

Long Beach, N. Y., Sept. 9.—Having recovered from an illness of many weeks, former-governor David R. Francis of Missouri left here today for St. Louis accompanied by his family.

While physicians said the former governor still was rather weak as a result of his long sickness, they thought his condition was such that he could return home.

Two Are Injured In Electrical Storm

Mexico, Mo., Sept. 9.—Two men were injured and property damaged to the extent of $35,000 in wind and electrical storm here last night. The two men were working in a shed and it was caught by the wind and hurled across the railroad right-of-way. Trees were blown down and several small buildings flattened.

Lumberman Is Dead At Home in Bethany

Bethany, Mo., Sept. 9.—E. S. Miner, for forty years a business man of Northwest Missouri and head of the Miner-Frees Lumber Co., which has fourteen lumber yards in Missouri and Iowa, is dead at his home here.

The Weather

Partly overcast tonight, Thursday fair; somewhat cooler.

THE ONLY DAILY PAPER IN NODAWAY COUNTY

FARMER TO CASH IN.

Products of the farm, which three years ago represented 68 per cent, of their exchange value of 1913, now represent 97 per cent, according to statistics compiled by a St. Louis bank. With satisfactory crops in sight in the Midwest, it appears that the farmer is getting ready to enjoy one of his most prosperous years. There is said to be not an important crop failure in Ohio and optimistic reports also are current in Michigan, Indiana, Wisconsin, Minnesota, Missouri and Iowa. Grains are said to be more prolific than ever before in some of these states.

With increased values making their cereal commodities golden, the purchasing power of the agricultural states is enhanced in addition by live-stock possibilities. Production of animals is reported to have fallen off considerably, but it is said higher prices will put more money in the stockman's pocket than if the situation were normal.

Seemingly this increase to the farmer is to be at the expense of other industry, for, if it takes less grain to buy a manufactured article than it formerly did, it means the value of the latter has decreased even though the price may remain stationary as measured by dollars. Perhaps the merchant may have been having the better of the bargain, but even if he has not fluctuations eventually bring all prices close to standards. The increased purchasing power of the farms means more activity in the general business circle.

LENGTHENING THE HILLSIDE.

The maples and the elms are beginning to turn. They will be most beautiful a few weeks from now. Most beautiful, and yet their loveliness is the symbol of decay—old age.'

So it is with man and art. Havelock Ellis, in his book on Huysman says: "All art is the rising and falling of the slopes of a rythmic curve between classic and decadent extremes. Decadence suggests to us going down, falling, decay. If we walk down a real hill we do not feel that we commit a more wicked act than when we walk up it."

Charts of the great insurance companies indicate the same thing. The life span remains at about the biblical three score and ten. The latter years are on the downward slope of the hill.

Nowadays, will all this talk of glands and operations, and comic attempts to lengthen the life of man, the idea that one day folk may remain on the earth a hundred or a hundred and fifty years does not seem ridiculous.

But man cannot escape the inevitable in that way. It does not remove the hill of life to make its slopes longer. And we shall find scientists will find, that it does not make the climbing easier.

No one wants a maple tree to stay green all winter. Its red and golden beauties of the autumn would be lost to man's enjoyment. So, too, man cannot escape old age by putting it off. Should he do so, it would rob life of its most charming phase.

Mexico is to have paper currency, the first since 1920. There should be care that it partake not of the frailties of some of the European brands.

It is contended that snoring is a disease and catching. This is borne out by the sound at intervals which indicates that while the snorer may not have caught it, he made a stab at it.

Over in New York State Senator Walker thinks he is running for the democratic nomination for mayor against Hylan and Hylan thinks he is running against Walker, but both are wrong. Governor Al Smith is running against William R. Hearst to see which one is to control the city politics and, now that each one has called the other the short and ugly word, the campaign should finish in true sidewalk fashion.

Neighbors Don't Want a Bachelor In Their Vicinity

Belleville, Ill., Sept. 9.—Because he is not married and his neighbors 'don't want any bachelors living among them," Joseph Beyer of Avery Hill has been made the victim of thirty-six hours of continuous phonograph music, he contends.

This is the charge in a peace warrant which Beyer obtained from the State Attorney's office against Joseph Pauser, his next door neighbor.

Beyer declared that the community consisting of 15 families, had conspired to oust him from their midst and that he had been the but of innumerable jokes and tricks.

"I would have been willing to marry," he asserted, "and I told them I would do so if they provided me with a good woman, even though I once was married and my wife ran away with nearly all of my money."

INDEPENDENCE.

School opened August 31st, with 30 pupils in attendence, and Miss Lauretta Downing as teacher. This makes a very interesting school with a perfect attendance so far.

Prairie View school opened September 7 with an enrollment of 21 pupils and Alta Mae Holmes teacher.

Personals.

Mr. and Mrs. Charles Hess of St. Joseph have been visiting the past two weeks with Burl Hess and family. Mr. and Mrs. Gaylord Reynolds and family and Mr. and Mrs. Charles Hornbuckle and family.

Mr. and Mrs. Roy Griffing and son, Meredith Romaine, of Seymore, Ia. arrived Sunday A. M., for a short visit at the home of Mr. and Mrs. James Neal. Mrs. Meredith, Mrs. Griffing's mother, has been visiting her sister, for the past five weeks. The party left for their home Monday p. m. Other guests at the Neal home were Mr. and Mrs. Lester Ringold and Mr. and Mrs. Gaylord Reynolds and family.

Mr. and Mrs. Charles Hornbuckle and family were given a surprise last Friday evening by a number of their friends and neighbors. Games and victrola music were enjoyed and ice cream and cookies served to the following: Elma Koger and family, Mr. James Koger, Mr. and Mrs. Sid Ewing, Mr. and Mrs. Mack Ulmer and family, Mr. and Mrs. Tillie Hornbuckle and daughter, Gladys and their guest Miss Lucile Linville of Skidmore, Mr. and Mrs. Asa Porterfield and family Mr. and Mrs. Alvin Neal and family and Mr. Lusk's mother who is visiting at the Lusk home.

For California Visitors.

In honor of Mr. and Mrs. Frank King and family of Huntington Beach, Cal., who were here on a short visit, a number of relatives gathered at the home of Mr. and Mrs. J. L. Teson in Skidmore Sunday. Dinner was served on the lawn at noon. In the company were Mr. and Mrs. Frank King and children, Mary, Mae and Frank, Jr., Mr. and Mrs. Lee Smock and daughters Eva and Doris Maxine, Mr. and Mrs. Henry Smock, Mr. and Mrs. Harve Pope, Mr. and Mrs. Charles Pope and children, Ruth and Dean, of Maryville Mr. and Mrs. G. Oto Riley and children, LeRoy and Ramona, Mr. and Mrs Alf Hayworth and daughter, Bernice, Mr. and Mrs. Sam Hayworth of Graham, George Smock and son, Glen, of Rock Port, Mrs. Belle King, Mrs. Kate Cottrel, Mrs. Rex Horn, Mrs. Mart Moody, Clarence Cottrel, Fred Dyson, William Smock and Albert Sewell.

Dinner for Miss Prather.

Mr. and Mrs. Frank W. Baker will entertain at dinner this evening at their home, 418 W. 7th street, complimenting Miss Anna Hazel Prather, who will leave tomorrow to enter Stephens College at Columbia, Mo. Covers will also be laid for the Rev. and Mrs. Guy L. Prather and daughters, Elizabeth and Charlotte, and Frank, Jr., and Margaret Baker, children of the hosts.

Wedding Banns Announced.

Announcement has been made of the approaching marriage of Miss Teresa Madden, daughter of Mr. and Mrs. Maurice Madden, living northwest of Maryville, and Wilfred Keese of Elmo, Ia. The wedding will take place Tuesday, September 15, at St. Patrick's Church.

Parnell

Willing Workers.

Miss Irene De Freece came Saturday from St. Joseph to visit relatives. She returened Tuesday.

Mrs. C. E. Knight and son Billy Frank and Mr. F. H. Mittelstedor of Grant City spent the week end with Dr. and Mrs. J. S. Matteson.

Mr. and Mrs. Roy Merrigan of Conception, Mr. and Mrs. Fred Messbarger and children were dinner guests Sunday of Mr. and Mrs. Frank Auer.

Mr. and Mrs. J. J. De Freece and daughter, Irene, and son Henry, Mrs. Lizzie Klass, Mr. and Mrs. R. E. De Freece and daughter, Dorothy Helen, were dinner guests Sunday at the home of Mr. and Mrs. C. O. Harmon.

Mr. and Mrs. George Wilson and Millicent Beard, Mr. and Mrs. Harry Bird motored to Nishna Botna, Sunday, to visit Mr. and Mrs. Manuel Hawk.

Mrs. T. M. Cox and daughter Berniece and Miss Lela Cox motored to Maryville Monday. Miss Berniece remained to attend the S. T. C. this term.

Harley Nigh visited home folks Monday.

Prof Alva Burch and Prof Harry Nelson spent the week end with home folks.

Mr. James La Favor has been seriously ill but is better today.

Mrs. Rhoda Clutter went to Scott Stone Sunday to visit.

Mrs. Lucile Butler and her mother, Mrs. Rosa Lane came Sunday evening and will make their home this school year with Mrs. Julia Jones.

Miss Matie Evans went to Stewartsville Saturday to resume her work in the High School.

Miss Mary and Miss Edna Cotter of Kansas City and their nieces, Virginia and Patricia came Sunday to visit Mrs. Julia Jones. Miss Mary returned Monday to her home.

A cafeteria basket dinner was given Sunday evening at the home of Mrs. Julia Jones. Those present were Mrs. Julia Jones, Miss Mary and Miss Edna Cotter and nieces, Virginia and Patricia, Miss Kathaline and Miss Emily Jones, F. A. Breit and family, George Felton and family, Vern Baker of Wapello, Iowa, Mrs. Etta Jones and children.

Mrs. Henry McCann of Ravenwood came Saturday to visit her parents.

Dr. O. P. M. Mills of Grant City made a professional call in Parnell Monday.

Mr. and Mrs. Joe Pfeifer and Miss Rosetta Klass of Conception were visiting in Parnell Sunday afternoon.

Eugene Malone of Minot, North Dakota is visiting at the home of E. J. Klass. He is on his way to Conception where he will continue his work at the College.

John Kennedy went to Columbia Tuesday where he will enter the Missouri University.

Read the Want Ads.

Ph D. Degree Awarded Niece Mrs. W. White

Miss Ruby Worner of Havana, Ill., a niece of Mrs. W. A. White of Maryville, received the degree of Doctor of Philosophy from the department of chemistry of the University of Chicago last wek. Miss Worner received the degree of B. S. in 1921 and that of M. S. in 1922 from the same university. Her major work has been done in chemistry, with an undergraduate minor in Bacteriology, and a graduate minor in Physics.

On September 10 Miss Worner leaves for Chickasha, Okla., where she has a position as associate professor in the chemistry department of the Oklahoma State Woman's College. Miss Worner has made several visits to Mr. and Mrs. White in Maryville.

M. S. Hamilton has bought a lot on West Fourth street from F. P. Robinson and expects to build soon.

Mr. and Mrs. Clark Lambert and Mrs. Olin Shelton of Wilcox motored to Bethany today to atend the fair.

HARMONY.

Sunday dinner guests at the M. S. Carteel home were: Mrs. Jennie Whitehead, and Mrs. J. A. Taylor of Boone, North Carolinia; Mrs. W. W. Walsh and daughter, Thelma of Lynchburg, Va.; J. B. Taylor of Maryville, Mrs. Ray Taylor and children, Robert, J. B. and Betty Louise.

J. W., the infant son of Edgar Flannary, who has been very ill for some time, is no better at the present writing.

The storm that came up late in the afternoon Monday of this week, not only did a great deal of damage by blowing down the corn that was already pretty barly tangled up, but also damaged fruit and shade trees as well as buildings. Lightning struck the barn of J. E. Porter and tore a hole in the roof. In several places windows were blown in and the interior damaged by the rain.

Joe Woodburn and family now ride in a shiany new Dodge sedan.

Mrs. Emily Hunt has been on the sick list for the last week or two.

Mrs. Alva Hunt received word of the seriousness illness of her mother, Mrs. McCall, who lives at Middleton, Montgomery County, Mo. It will be remembered that she is the wife of Rev. McCall, who was at one time pastor in charge of the work here.

B. K. Lewis was transacting business in Maryville Tuesday.

THE KEY TO SUCCESS

Success depends primarily on a healthy liver and stomach. You can not think straight if these organs are not working properly. Mayr's Wonderful Remedy is usually successful in such cases. Our advice to everyone troubled in this way, especially when accompanied with bloating in the stomach, is to try this remedy. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practicalay all stomach, liver and intestinal ailments, including appendicitic. At all druggists.—Adv.

Nation's Head Is Fit Physically To Battle the Storms

Swampscott, Mass., Sept. 9.—President Coolidge is physically prepared to encounter and weather any political or legislative storms which the next twelve months may have in store.

Physicians have assured him that he is in the pink of condition for a 53-year-old man and that he can return to Washington late this week certain that he can stand any reasonable strain.

The salt air, sunshine, pleasant cool weather, and the seclusion of the summer White House have done much to put him in excellent health. His nervous system is steady and his muscles are in good condition.

His weight remains almost constant at around 160 pounds. His appetite is hearty, but he does not overeat.

Mr. Coolidge's walks were his only exercise up here, but they were quite effective.

Jealousy Between Men In Air Service

Congressman Curry of California Echoes Remarks Made By Col. William Mitchell.

San Francisco, Sept. 9.—Virtually echoing the remarks of Col. William Mitchell, deposed air chief, Congressman Charles F. Curry charged mistaken economy and jealousy with the Shenandoah disaster and the loss of the PN-9-1.

In an interview here the Congressman also declared his intention of introducing a bill before Congress to promote Col. Mitchel to the rank of Major General.

Lack of sufficient safety valves in the Shenandoah was the probable cause of the disaster of last week, Curry declared.

Curry spoke highly of Lieutenant Commander Zachary Lansdowne, but declared that Capt. Stanford E. Moses Honolulu flight commander "has neither the experience, the temperament nor the knowledge to be placed in charge of such an expedition."

"Jealousy of men hostile to the flying service is known to exist in the army and navy," Curry stated.

"Unification of air service is the only solution for the aviation problem," said Curry. "The present policy is dictated by the natural jealousy of men long trained to other methods of warfare."

To Those Starting In

Roger Babson, noted economist and statistician, gives the following advice:

"Be content to start work on a small salary and live on that salary. Almost every great and successful business man started work in a cellar."

And he also says—

"Develop the habit of thrift. Only by building up a bank account can you later be sure of having capital for going into business for yourself."

THE DEMOCRAT-FORUM AND TRIBUNE

Personals

Miss Lucille Wright returned Sunday from Grant City where she spent last week with her grandmother, Mrs. S. P. Houser.

Mrs. M. Rittenour has moved from 547 W. 2nd street to her new home at 409 W. 4th street, which she recently purchased from John Bithos.

Mr. and Mrs. Will Shelman and daughter, Genevieve, of Clyde were guests at the home of Mr. and Mrs. Guy Autrim of Bedison Monday.

Mr. and Mrs. Virgil Morris of Kansas City are visiting the latter's parents, Mr. and Mrs. J. D. Malvern, and her sister, Mrs. O. L. Martin, of Quitman.

Mr. and Mrs. Edgar Rhoades went to Bethany this afternoon to visit the latter's brother, Frank Reddick and family and to attend the Bethany Fair. They will return home tomorrow evening.

R. R. Staples of Burlington Junction visited in Maryville today.

Elmer Barrock, B. K. Lewis and A. Lawson of Harmony spent today in Maryville.

C. P. Schmidt, editor of the Brush Colo. Tribune, is visiting Maryville friends. M. Schmidt is a former county judge of Nodaway County.

Laura Gatton of Conception Junction enrolled Monday at St. Patrick's School. She will live with her aunt, Mrs. Emma Brady.

W. H. Hinton and John Bosch of Pickering were in Maryville today.

H. W. Montgomery of Skidmore visited in Maryville yesterday.

Henry Smith and son and W. S. Frankum of Quitman were Maryville visitors today.

S. E. Browne of Hopkins, Frank Goslee of Skidmore and W. B. Castillo and family of Elmo were among the out-of-town visitors today.

D. M. Bishop of Ravenwood was in Maryville today.

Randolph Holt and R. B. Montgomery motored to St. Joseph yesterday on business.

Mrs. Walt Davis and daughter, Madonna, of Ravenwood were Maryville visitors yesterday.

Miss Wright to Iowa University.

Miss Gertrude Wright will leave next Wednesday for Iowa City where she will enter the University of Iowa for a course in the department of commerce and business administration. Miss Wright returned yesterday afternoon from Red Oak, Ia., where she has been the guest of Miss Ruth Bass for ten days.

California Visitors Leave.

Mr. and Mrs. Robert Coulter of Los Angeles, Cal., who have been visiting at the home of Mr. and Mrs. Harry Harrison since Saturday left today for their home. En route west they will stop at Mr. Coulter's ranch near Fort Morgan, Colo. Mrs. Coulter will be remembered as Mrs. Angie Fishback, a former Maryville milliner.

Miss Prather to Stephens College

Miss Anna Hazel Prather, daughter of the Rev. and Mrs. Guy L. Prather, will leave tomorrow for Columbia, Mo., where she will attend Stephens College.

WARRANTY DEED

The following warranty deed was filed for record today:

Marcus Crater and wife to John E. Rhodes, lot 1, block 30, Burlington Junction for $50 consideration.

Lemons Return From Trip.

Mr. and Mrs. H. A. Lemon and daughter, Beatrice, returned yesterday from a ten day's trip to Burlington, Ia., and Bushnell and Monmouth, Ill. At the latter place they visited Mr. Lemon's uncle, C. L. Lemon, and family. They were the guests of Mr. Lemon's aunt, Mrs. Herman Kaiser, at Bushnell, and at Burlington they visited Mrs. Lemon's uncle, W. H. Stelter.

Administratrix Appointed

Allie B. Yeisley was yesterday appointed administratrix of the estate of the late Charles E. Coulter of Conception Junction, who died September 5, by Judge Jesse F. Robertson of the probate court.

Injured by Horse

Joseph Keith, living near Bedford, Ia., was seriously injured at his home late yesterday when he was kicked on the hip bone by a horse. He was brought to St. Francis Hospital here this morning for treatment.

Married Yesterday

Paul D. Linthicum and Violet O. Shelton, both of Maryville, were married yesterday afternoon in the rest-room of the courthouse by the Rev. Guy L. Prather.

Paralysis Cause of Mrs. Wilson's Death

Aged Woman Dies at Her Home Late Last Night—Resident of Maryville for Twenty Years.

Mrs. Sarah Wilson, who has been an invalid for several years, died at 11:35 o'clock last night at her home 721 South Buchanan street. She had suffered several paralytic strokes, the first one seven years ago. Her condition took a turn for the worse two weeks ago. Funeral arrangements have not been completed.

Mrs. Wilson was 71 years old last April. She leaves four daughters and one son, as follows: Miss Sadie Blair, Fairfax, Mo.; Miss Gertrude Blair and Miss Edna Wilson, Miami, Ariz.; Mrs. B. L. Wray, Maryville; and Lloyd Wilson of Chadron, Neb. One sister, Mrs. Jane Higgins of Robinson, Kan., also survives. Mr. Wilson died about eighteen years ago. Maryville had been Mrs. Wilson's home for the last twenty years.

Gary Urges State Patrol of Highways

Chairman of State Highway Commission Also Advocates Raising of Speed Limit On Roads.

Jefferson City, Sept. 9.—Creation of a state patrol body similar to the Rangers of Texas or the crack state troopers of Pennsylvania and other states was again urgently advocated by Theodore Gary, chairman of the state highway commission, commenting on the completion of many miles of concrete highway.

Gary also declared that new traffic regulations should be drawn up regarding the speed law of twenty-five miles an hour, which he said was too slow. The maximum, he said, should be from thirty-five to forty-five miles an hour, and arrests would not be made so much because of speeding but because of reckless driving.

He declared the highway commission had been too busy keeping the legislature "off the neck of the highway board" to take these steps, but said that it was his belief that the people of Missouri should take the initiative in demanding these changes.

County Meeting of Agriculture Teachers

At Court House on Saturday Night—Will Plan Work for Coming School Year.

A teachers' convention for all Nodaway County instructors who are interested in the work of Vitalized Agriculture, will be held at the courthouse at 7 o'clock Saturday night. The purpose of this meeting is to arrange and organize for the time of meetings for the coming year. Bert Cooper of the State Teachers College will be in charge of the meeting. This will probably be the last meeting with the Vitalized Agriculture teachers this year for Mr. Cooper, as he has been granted a year's leave of absence from the local college.

All of the teachers in the county who are interested in the agriculture work are eligible to attend. Those desiring to attend the conferences and classes during the year for College credit may do so. However, a large number of teachers in the county are expected to attend and not apply for credit.

It is the plan of those in charge to have regular meetings throughout the country during the entire school year. In this manner the teachers will keep in touch with the latest methods in the subject of Vitalized Agriculture and keener interest created in the subject.

Willhoytes In St. Petersburg.

Mr. and Mrs. O. J. Willhoyte and daughter, Leora, who left August 25 for St. Petersburg, Fla., to make their future home, arrived there last Friday evening, according to word received in Maryville today. They made the trip with Mr. and Mrs. R. W. Miller of St. Petersburg, who were returning home after a several weeks' visit here. They were on the road eleven days. St. Petersburg is a beautiful place, they write.

AUNT HET

"I know I shouldn't of come ni on a flat tire, but I had on my new corset an' couldn't bend much."

Corn Condition Is Put At 75.5 Per Cent

Condition Of Spring Wheat Is Estimated By Department Of Agriculture At 75 Per Cent.

Washington, Sept. 9.—The condition of the corn on September 1, was 75.5 per cent of normal, indicating a total production of 2,885,000,000 bushels, the department of agriculture announced today.

This compares with the condition on August 1, of 79.8 per cent normal, a total production last year of 2,437,000,000 bushels.

The condition of spring wheat was 75 per cent of normal, compared with the estimate of 73.9 per cent on August 1.

Total production is estimated at 284,000,000 bushels compared with a total production last year of 283,000,000.

4 Legged Animals Bring Worries To Ruth, Swat King

Sudbury, Mass., Sept. 9.—Cows, chickens and dogs have become more worries in the worried existence of Babe Ruth.

The home run king, just back in good standing after a week's suspension and a fine of $5,000, was forced today to the painful task of killing two of his pet bulldogs.

"Dot," a prize winner, had to be destroyed for killing a pedigreed cow on the farm adjoining Babe's and "Buster" another blue ribbon puppy, was shot after another neighbor had complained that he had killed a flock of chickens.

Court Decides Road Shall Remain Opened

The county court late yesterday afternoon voted to leave the public road open in the case of S. J. Schrader, et al against Mike Maher, et al. This road is located about six miles northeast of Barnard between the Schrader and Maher farms and runs about three-quarters of a mile east and west. A hearing was had yesterday when five witnesses testified for the closing of the road as well as keeping the road open. The county court had viewed this road before they had the hearing.

The costs in the case were ordered to be paid by Schrader.

Juvenals Return From Ohio.

Dr. and Mrs. J. J. Juvenal and little sons, Joseph and Charles, returned today from a visit with relatives at Upper Sandusky and Tiro, Ohio. At the former place they visited Dr. Juvenal's mother, Mrs. Nettie Juvenal, and were guests of Mrs. Juvenal's parents, Mr. and Mrs. W. A. Brown, at Tiro.

To Lincoln Public Schools.

Miss Gertrude Belt and Miss Margaret Dietz will leave Friday for Lincoln, Neb., where both will teach public school music in the grades of the city schools.

Miss Halley Leaves Friday.

Miss Lois K. Halley, who has been spending the summer with her mother, Mrs. Vada Halley, will leave Friday night for Columbus, Miss., where she will begin her second year as assistant professor of psychology in the Mississippi State College for Women. Miss Halley was a member of the summer faculty of the State Teachers College.

Returns From Month's Trip.

Miss Odessa Wells returned this morning from a four weeks' trip to Chicago, Detroit and Niagara Falls. Her sister, Miss Roberta Wells who accompanied her on the trip, left last Saturday for Winfield, Kan., where she is Spanish instructor in the high school.

REAL PRACTICE IS UNDERWAY

FIRST REAL FOOTBALL PRACTICE LAST NIGHT.

MANY YET TO REPORT

Footballers Are Praying For Cooler Weather—13 Bearcat Lettermen Back.

Knee-high clover, that has not felt the mower's scythe for several weeks, yesterday afternoon was rudely trampled under by the feet of about seventy-five aspiring youths of the Teachers College and High School teams who commenced the 1925 gridiron practice in earnest.

Close of thirty-five Bearcats, clad in a new issue of bright green sweaters, and about forty High Schoolers, were perspiring freely in the first drill of the beginning of a gruelling daily session throughout the season on the State Teachers College Field. Coaches H. Frank Lawrence and Paul Jones put the thirty odd Bearcats, about three-fifths of the number who are expected to be out in moleskins before the week is over, through what would be called a light practice later in the season, but did not let a chance slip to watch the actions of new material for men to bolster the forward wall, which was weakened by graduation this last spring. Running down punts, sidestepping practice for the backfield men and passing the ball around in a circle to toughen their abdomens and to accustom the men to "hang of the ball" comprised the drill for the Green and White warriors.

The Bearcat squad, small in number last night in comparison to what it will be next week, stacks up in weight to the average Teachers College team. Only two men out of the number asserted they had never played football before.

"Because of the lack of experience and the opening game not so far off, Coach William H. Herbert, high school coach, spent considerable time last night instructing his linemen. Captain Red Kissinger and Buster Strong were kept busy throwing the oval to backfield men and when Coach Herbert sent his prospects for line around the track a couple of times and then to the showers, he retained the ball luggers for additional drill.

Captain Kissinger said between fifteen and twenty more High School men had promised him they would be out for football practice before the week is over, which indicates that the new coach will have the largest high school squad to work with in the history of Spoofhound football teams.

Just now the embryo gridiron machines, working out daily under a hot sun, are praying for cooler weather.

For the first night of practice there were sixteen out who have been on Bearcat squads in former years, around which the coaching staff will whip into shape a team for the first game of the season which is expected to be with Highland, Kan., presumably the first week in October. This will be a return game at Highland played here last year.

The coaches, silent as they have always been in the fore part of the football season, would not make any comments on the material working out last night, but Pete Jones did finally consent to say "they are fair."

Bearcats who have won letters in former years that were out in uniforms last night were: Arthur Hartman, guard and tackle; Howell England, half back; Vodre Willoughby, quarterback; W. H. Moentmann, tackle; George Barkley, tackle; Paul Stone, guard and tackle; Harold O'Banion, fullback; David Eads, halfback; Oren Masters, halfback; Sam England,

(Continued on page 6)

THE BEARCAT COACHING STAFF

H. FRANK LAWRENCE

PAUL ("PETE") JONES

For the second consecutive year H. Frank Lawrence, athletic director, and Paul Jones, assistant coach, are working in harmony, coaching the football squad of the Northwest Missouri State Teachers College. Mr. Lawrence is a graduate of Missouri Wesleyan and learned the rudiments of football under Lefty Davis. He coached one year in Southwestern Illinois, came to Maryville and coached the Spoofhound teams for two years and three years ago was elected athletic director of the local Teachers College. Lawrence's hobby is football. In his second year at the Bearcat institution he put out a team that tied for the conference championship and lost only one game out of the entire schedule.

Paul Jones, better known as Pete, came to Maryville a year ago last fall from the Jayhawker institutions at Lawrence, Kan., to assist Coach Lawrence with the line. He was captain of the K. U. eleven one year and all-Valley guard. Although he has only one year of coaching experience back of him Jones has made a name for himself in this state and his assistance as line coach has showed most favorable results.

1925 GRID CAPTAIN

SAM ENGLAND

Who was choice of the 1924 Bearcat team for the 1925 football team. This is Sam's fourth year on the eleven of the Northwest Teachers College. He has played guard and won a letter each year. His previous experience as a football man was obtained at the Maryville High School, from which he was graduated. Sam is not only a football player, but a soldier, having been recently elected as second lieutenant of Battery C, 128th Field Artillery, Missouri National Guard.

AMONG THE MISSING

Hugh ("Red") Graham, one of the staunchest supporters of the Northwest Teachers colors, who will be sadly missed among the ranks of Bearcat gridiron warriors this year, lost by graduation. Red is now manual training instructor at the Maryville High School and remarked just the other day he "wished he could play another season of football."

Red has played football for eight years, starting out in his career with the Trenton High School, where he played four years. He came to the Bearcat institution and was one of the most consistent linemen for four years ever turned out at the Teachers College. Two years he was placed on the all-conference mythical eleven as tackle, and last year was acting captain of the Bearcat team.

Dr. Templeton to Eureka Springs.

Dr. N. W. Templeton left last night for Eureka Springs, Ark., where he will spend several weeks for the benefit of his health.

Our Employees are Interested

When Prior Preferred Shares were placed on sale in this community our employees first took advantage of the opportunity and are now related to the company in three ways. They are patrons like almost everybody else in the community. They are investors with a financial interest in the business. They are employees devoting their efforts to the service rendered by the company.

In this three-fold relationship, they are naturally interested in promoting the company's welfare and extending an opportunity to fellow citizens to become investors.

There is a further reason for their interest in the sale of Prior Preferred Shares. If a friend of yours, employed by the company, tells you about Prior Preferred and you invest, you're helping your friend greatly with the company, for he or she receives special credit and special recognition in the company, a great advantage when promotions are in order.

This is a safe, profitable investment for savings.

CONSTANTLY IMPROVED BUT NO YEARLY MODELS

It has never been the policy of Dodge Brothers, Inc., to build yearly models.

When an improvement is discovered, perfected, tested and found good, it is made *at once*. The car is always up-to-date.

Moreover, the owner does not have to fear that his Dodge Brothers Motor Car will be made obsolete, shortly after he has bought it, by the announcement of radically new types.

REAL PRACTICE IS UNDER WAY

(Continued from Page 5).

guard; Kenneth Fouts, guard; In addition to the lettermen, those who were on the 1924 squad, were C. Wilson, Roy Reihl, Earl Wyman, Wilbur Cox, Morris Chick.

Last year Spoofhound football men who reported for the first time were Marvin Epperson, Robert Westfall, Wallace Hilsabeck. Trenton is represented by Charles Graham, Leonard Lewis.

Joe Vandeslice of Princeton was in a uniform last night. Search and Berst, Oblong, Ill., former McKendree College stars, were wearing the Green and White uniforms for the first time. Others receiving instructions under Coaches Lawrence and Jones were Gordon Joy, Ravenwood; Paul Burks, Pickering; Roy Smith, Milan Shell, Eugene Clark, Ora Mullenax, Clyde Stitt, Harley Pierce, a new Maryville resident.

One of the big problems will be to develop a center. The stand-by of last year, Jarvis Bush, was standing on the sidelines watching the workout, but he will leave soon to resume his studies at the University of Missouri.

It is early to make calculations but it would not be out of the way to say that Chuck Graham, brother of Red Graham of Bearcat fame, is under the eyes for the coaches for the center line position.

Col. Jayne Visits Here.

Colonel E. H. Jayne of Edmond, Okla., arrived yesterday to spend a few days at the home of his sister, Mrs. C. C. Corwin, and Mr. Corwin. He is enroute to British Columbia and other Canadian points. Mr. and Mrs. Corwin motored to Conception Junction to meet Colonel Jayne.

Legion Commander Commends Carnival

Omaha Chamber Of Commerce Tells Of Ak-Sar-Ben Being Held On Downtown Streets.

G. O. Banjan, proprietor of a shoe store in Beardstown, Ill., and Commander of the Legion Post, No. 605, writes the Chamber of Commerce as follows:

"The S. W. Brundage Shows were in this city, Aug. 17th to 22nd, showing on the main streets of the city. Such showing increases the benefits derived from the celebration. Our experience shows that our celebration is more successful when held in this manner.

"You will find the S. W. Brundage Shows absolutely first class in every way and strictly on the square."

Clark G. Powell, Commissioner of the Omaha Chamber of Commerce, writes as follows: "Answering your leter Sept. 5th Ak-Sar-Ben has held downtown carnival for over 15 years. City Council votes streets and fences off for 10 day period. They tried holding it outside of downtown district one year but went back down town after the one trial."

The Ak-Sar-Ben is one of the biggest Fall Festivals held in the United States and is attended by many hundreds of thousands of people from parts of six states annually.

The Chamber of Commerce hopes to be in a position to announce the list of free acts for the fall festival by the end of the week. Nothing but the best will be secured.

Elder Duggar To Preach.

Elder A. M. Dugger of Stanberry will preach at the Church of God both in the morning and evening on Saturday.

Bugs Make Life Miserable Down In Kansas City.

Kansas City, Mo., Sept. 9.—Countless millions of "leah hoppers" are infesting the city each night seeking the bright lights. Swarms of the insects have been making life miserable for city dwellers by crawling through screens and into homes.

Kansas had a deluge of the bugs in 1911 when some in cities the bugs were so numerous as to force people to remain indoors.

The bugs here are preparing to hibernate naturalists declare.

Frat Men Return To Discover Their Home Padlocked

Evanston, Ill., Sept. 9.—Members of the Phi Epsilon Pi fraternity returning to their classes at Northwestern University faced a padlocked chapter house. The padlock was placed there by university authorities on complaint of neighbors that summer occupants of the house held "wine, women and song parties."

Walter Dill Scott, president of the University, explained he was not certain whether college students had participated in the alleged parties but held the fraternity responsible for occupants of its chapter house.

"Any time wine or women are taken into fraternity houses connected with the university they will be closed," Scott said.

Neighbors in the fashionable residential district adjoining the campus complained that the strains of jazz music coupled with the clink of glasses and the screams of girls and women disturbed the peace long after midnight.

CLOSING OUT SALE

Ever since our doors opened last Thursday morning this big store—crowded with standard makes of Hardware and Implements—has been crowded with folks from far and near to take advantage of our slaughtered prices. Indeed, this is a sale that you should not miss. We have reduced every article in our large stock for quick selling, and that means that our prices are down below what we ourselves would have to pay to replace them. Cost or profit is not being considered. We are going to dispose of everything!

BETTER GET YOUR BARGAINS NOW

They are not going to be here long if they keep on moving as they have been. We are not listing everything. It would take page after page to do that; but here are a few things that we want you to know about, and a few prices that indicate how low we are selling our stock. Better spend your dollar where it will do you most good—where it will go fartherest.

Miscellaneous List

—Gate Steels
—Transport for Disc Harrow
—Wagon Lifting Jacks
—Fertilizer attachment for Sampson or Janesville Corn Planter.
—Extra Hames of all kinds
—Canvas Rollers for Champion, McCormick, Deering Corn Binders.
—Plow Shares.

BUNKER HILL ITEMS.

School opened Monday, August the thirty-first with an enrollment of twenty-four, the largest in several years.

We were well pleased to see that our own school house and coal house were fresh painted, the well curb fixed, school yard mowed, sanitary toilets installed and the floor oiled. Many thanks to the school board of District 57.

We are pleased to report the following improvements in our district, since school closed: Mr. Thomas Bukes new fence of cedar posts and woven wire and house painted. Mrs. Rachel Auten new fence barb wires. Dillard Clutten a new hog tight fence with woven wire and two wires.

George Ranch received word from his brother Carl, saying that his son Louis, was ill with pneumonia and influenza and was in the hospital at St. Joseph. Cal came home Saturday and says Louis is better.

On Sunday August 30, J. A. Porch and family, Mrs. William Poff, Glade Maude and Mary Riley visited at the Roy Curry home. The older visited while the young people played games. All enjoyed a watermelon feed.

LIBERTY ITEMS.

School opened August 31 with twelve pupils. G. O. Riley is our teacher again this year.

Mrs. H. D. Shull, who was operated on some time ago is slowly improving.

The Agriculture class have been busy the past week making a fruit survey of the district.

LEGAL NOTICES—18

(Sept. 7, 8, 9, 10, 11, 12, 14.)

NOTICE TO CONTRACTORS.

Sealed bids will be received by the City of Maryville, at the office of the City Clerk, at the City Hall in said City, until two o'clock P. M., September 16th, 1925, for grading, paving, curbing and otherwise improving the following described streets in the City of Maryville, Missouri.

Walnut Street from a point five feet South of the North line of Seventh Street North to the Wabash Railroad Right of way, as provided by Ordinance Number 1064 of said City; estimated quantities, 1985 Sq. Yards of 7-inch Reinforced Concrete Paving, 970 Cu. Yards Earth Excavation and 1640 Lin. Feet of 5 inch Integral Concrete Curbing.

Also Fifth Street from the Wabash Railroad Right of Way to the center line of Mulberry Street, as provided by Ordinance Number 1065 of said City, estimated quantities, 2100 Sq. Yards of 7 inch Reinforced Concrete Paving, 510 Cu. Yards Earth Excavation and 1410 Lin. Feet of 5 inch Integral Concrete Curbing.

Proposals must be made on blanks in the form provided by the City Clerk.

Certified check for five per cent of the amount of bid must accompany proposal, to be forfeited to City if bid shall be accepted and contractor fails to enter into contract and give bond as required.

The City reserves the right to reject any and all bids without cause.

Separate bids must be made for the work on each street.

MERLE C. SMITH,
City Clerk.

Hens, 21c; turkeys and young toms, 25c; broilers, 21½c; ducks, 13c; geese 7c.

Closing Grain Review.

Chicago, Sept. 9—Grains strengthened late and closed high on the Board of Trade today.

Wheat's strength developed late. Most of the session traders moved cautiously avoiding extension of commitments, pending publication of the government report. The late runup followed and oversold conditions.

Short covering rallied corn when wheat strengthened. Profits were taken late causing slight recessions from the top.

Oats followed the action in other grains.

Provisions weakened under pressure of cash interests and commission houses.

Geese, per lb	7c

HARMONY

Three services on Sunday made it a busy day for church goers. The morning services were well attended in spite of the hot weather.

In the afternoon there was held a conference of the S. S. workers of the Sixth District. Wm. Needles, president of the district had general charge of the program. This district includes all the Sunday Schools of Conception Junction, Ravenwood and our own school. At a recent meeting at Conception Mr. Needles was re-elected president. He is certainly one of the most faithful of workers in this great cause. At this conference talks on Sunday School activities were made by Rev. Underwood, Superintendent, Alfred Walton, Rev. Allsup, B. K. Lewis and others. The exercises were unusually interesting.

The County Sunday School Convention will be held at Ravenwood this year, about the last of the month and Mr. Needles bespoke the belief and cooperation of our school in making it a success.

The C. E. in the evening was led by E. E. Launders on the subject of "Prayer." Many facts of value were brought out in an interesting way. The preaching service consisted of a short sermon by the pastor.

At the morning hour the pastor announced that next Sunday there would be an election of the church officers for the coming year and a committee on nomination was appointed consisting of B. K. Lewis, G. H. Hull and Mrs. M. A. Brown.

At the morning service also, R. V. McKee, who was a delegate to the annual conference at Farrar, Ia., made a report to the congregation, telling in a very interesting way of the doings of the conference. He was not present at the entire conference being obliged to come home after the Saturday evening service.

SCHOOL NEWS.

Practice has already started on the Tennis and Basketball courts.

Our class in General Science will install for us a system of bells and wiring for class room use.

The school event of the week was the initiation of the Freshman class Friday evening. Part of the performance was given at the noon hour and the second installment followed at night, closing with a watermelon feast. It sure was lots of fun for the—Freshmen.

Percy Sapp was a school visitor last Thursday.

Halley Ford attended a meeting of the coaches of the County High School Basketball teams in Somerville's office, Saturday afternoon, Sept. 5. We play our first game of the season Sept. 18 with Conception at that place. Further than that, the schedule has not been announced.

Floors freshly scrubbed and oiled give our rooms a neat and clean appearance.

Coal is being placed in supply at all the schools this week.

Prof. Wallin will hold the first lesson in an extension course at the High School building, Saturday forenoon, September 14. The class will take up work in the Social sciences.

PERSONALS.

J. E. Porter and family visited Sunday with the parents of Mr. Porter at Parnell, who were injured recently in an automobile accident. They will spend some time at the J. E. Porter home while convalescing.

Alva Hunt and wife, who visited friends at Mound City last week, visited over night on returning, at the home of Miss Ruth De Bord in Maitland. Miss De Bord was teacher at Ward Three (Champaign) at one time and made her home with the Hunters.

The extreme heat of the last week or two has almost put a stop to farm work as horses or men could scarcely endure the heat.

Public Closing--Out Sale

As I am leaving I will sell at what is known as the Ed Parks farm, one-half mile west and 2 miles north of Wilcox, 6 miles southeast of Burlington Junction, the following described property on

Monday, September 14th

WELL, I'VE HEARD YOUR NAME MENTIONED TOO, OLD KID - HOW'S THINGS IN EU-ROPE, COUNT?
RIGHT THIS WAY COUNT - THE GRUB'S ON THE TABLE AND GETTIN' COLD -
HM-M-DID YOU SEE THOSE TWO BIRDS TALKING SIGNS TO EACH OTHER? GEE, THAT LOOKS SORT O' PHONEY TO ME - GUESS I'LL SORT KEEP MY EYES ON THIS COUNT BABY -
HAROLD GRAY

Asked Not to Leave Scraps At Park

A number of complaints have come to the Chamber of Commerce office regarding the condition of the tourist park. It has been reported that melon rinds and lunch scraps have been left scattered over the grounds following picnics. The caretaker is unable to keep the park looking first-class if local persons continue to leave melon rinds and scraps on the grounds.

Elmo Woman Tries To End Life Monday

Mrs. Mary Giles Swallows Poison While On Bus—Husband Says They Had Quarreled.

Mrs. Mary Giles, 18, of Elmo, who, with her husband, John, are visiting a relative, William H. Giles in St. Louis, is a patient at the City Hospital there suffering from iodine poisoning, which she is believed to have swallowed while riding on a bus at Jefferson avenue and Washington boulevard Monday afternoon, according to a report received here today.

John Giles later told the police he and his wife had quarreled, it is said Mrs. Giles refused to make a statement.

Hopkins Man Draws Fine In St. Joseph

Dale Scott of Hopkins was fined $100 and given a stay of execution to leave the city when he was hailed before Judge Reese of St. Joseph in police court there yesterday. Scott and Frank Allan of Jefferson City and Floyd Creppin of Council Bluffs, Ia. were arrested on charges of trespassing on private property while in the Rock Island yards at St. Joseph.

Should Take The Advantages Offered By Country Club.

Hopkins Journal Favors Associate Membership to Local Golf Club—"All Need Exercise."

(Hopkins Journal)

As we have it, the directors of the Maryville Country Club are planning to take in country members at a nominal fee, something like $12 or $15 a year which gives said member the privileges of the club, including the golf links and no doubt several from Hopkins will take advantage of the offer.

At least they should for too few of us take the exercise that we should. We know nothing about golf but we have "a friend" who does. This friend lives in a nearby town so we take his word for it. He says the business and professional men who stay in stores and offices day after day and week after week, taking an automobile ride on Sunday for exercise, should remember Muldon's words, "If you violate his laws you pay the penalty."

The man who takes no exercise must pay the penalty. If he does not pay this year he pays later with a short life. Only a few men get enough hard work with their hands and bodies to properly burn up the food they eat.

All young men and all old business men ought to belong to the Country Club and play golf. You would not play such a silly game! Try it once and see. Forty-nine out of fifty who hit a golf ball for nine holes are converts to the game. And golf is about the only out-door exercise one can get now. There is no hunting, or fishing and the park picnics where Mother Earth spreads everything on the grass that she raises are convival occasions, but physical wreckers.

40 and 71 Years Old; They Start On a Honeymoon

Fitchburg, Mass., Sept. 9.—A great grandfather and the mother of five children left here Tuesday on their honeymoon.

Joseph R. Drinkwine, 71, who has eleven children of his own and 40-year-old Mrs. Olive Skidmore were married at the Sacred Heart church. Mrs. Skidmore has been Drinkwine's housekeeper for several years.

Baptist Meeting To Be Held at St. Joseph

Messengers from forty-two churches will meet at the Patee Park Baptist Church, St. Joseph, on Sep. 15, at 10 o'clock in the annual gathering of the St. Joseph Baptist Association. Five hundred visitors are expected to be present. The program will continue through Tuesday and Wednesday. J. W. Roberts, of Savannah, is moderator and E. A. Marechal, of St. Joseph, is clerk. The introductory sermon will be preached by Rev. S. I. Myerg, of the King Hill Church, at 11 a. m. Tuesday. The missionary sermon will be preached Tuesday night by Rev. F. O. Sanders of Savannah; Dr. A. J. Burton, general superintendent, of Kansas City, will speak Tuesday afternoon. Dr. George L. Hale, of Trenton, Mo., has been asked to conduct the devotionals throughout the sessions. Pastor-at-large, C. C. Cunningham, will submit his report and will make an address on Tuesday afternoon. Other speakers will be Dr. William Harrison Williams, St. Joseph; President H. C. Weyman, William Jewell College; Sunday School Secretary, J. C. Hockett, of Kansas City; and Dr. C. C. Marriott, a foreign missionary, who returned from China on furlough in June.

The public is invited to the meetings.

Miss Taylor Stars In 2nd Film, 'Happiness'

Laurette Taylor in her second starring picture, "Happiness," comes to the Empire Theatre tonight and Thursday.

It was written by J. Hartley Manners, author of "Peg 'O My Heart," as a stage play, tells how the advent of a little shop girl in a wealthy home changed the life of the owners from boredown to happiness, and gives the star plenty of opportunities to display the gifts for comedy that have made her famous.

The supporting cast includes Pat O'Malley, Hedda Hopper, Cyril Chadwick, Edith Yorke, Patterson Dial, Laurence Grant, Mario Carillo, Charlotta Minneau and Charles Mailes.

Brings In 40 Pound Melon for the D.-F.

John M. Graves, truck gardener north of Maryville, brought in his yearly treat to the office force of the Democrat-Forum and Tribune yesterday. His treat was a forty pound watermelon. To say the least the entire force is appreciative of Mr. Graves' thoughtfulness, and hopes that he grows large watermelons every year.

600 Members of Shock To Gather at Reunion

Centralia, Mo., Sept. 9—Six hundred members of the Shock Family will have a family reunion here September 20.

The Shock family originally came to this country from Rotterdam, Holland in 1750 and they have been located in this part of Central Missouri since that time. Very few of them have moved away.

At the present there are about 300 descendants of the original family in Audrain County and a like number in Boone County. Others moved to the adjoining county—Callaway.

All of the Central Missouri Shocks are planning to be here for the reunion while others from other sections of the United States have been urged to be here.

Funds for Exposition Fungs for Exposition

Tokio, Sept. 9.—The Japanese cabinet has resolved to defray 1,000,000 yen for participation in the forthcoming Philadelphia exposition. Japan may establish a special Japanese hall at the event.

Americans Organize Klan In Germany

Secret Society Has Been Operating Under Name of "Knights Of Fiery Cross," Is Is Said.

Berlin, Sept. 9.—A German Ku Klux Klan, under the alleged leadership of three Americans, has been uncovered by the German police. Many arrests have been made and sensational developments are expected.

The German Klan, according to police, has been operating under the name of "Knights of the Fiery Cross." The masked hoods of the American Klan have been adopted by the German Klan, as have the rituals and ceremonials.

The American flag has been widely used and exploited in the ceremonies of the organization.

Police have not disclosed the names of the three Americans who are alleged to have fostered the new organization.

Swallows Small Bolt; Operation encouraging

Rockford, Ill., Sept. 9.—Word from Philadelphia gives an encouraging report on the condition of Ralph Kruger, 11 years old, who was rushed to Philadelphia Saturday by Dr. T. H. Culhane, to have removed from his lung a small carriage bolt which the boy inhaled a few days ago. The operation was to be performed by Dr. Chevelier Jackson, inventor of the bronchoscope, intended for use in just such accidents.

Salesman Is Fined On Speeding Charge

A. Cohen, itinerant salesman, was fined a total of $11.35 including costs in police court this morning before Judge Warren L. Johnson on a charge of speeding. He was arrested late yesterday afternoon by Police officer Leo Atherton for speeding on Main street west of the courthoose.

An Art and A Science

THE work done by the funeral director—that is, the modern, experienced funeral director—is a composite of several arts and sciences. Considerable skill, tact, diplomacy and experience are required, if he is to perform his work well.

We have been told that we combine these things very effectively in our service. We trust and believe that this report is true.
